Submits an extract of a petu presented to the Dewan during his recent tour in the Shimoga Dt. by the people of Nayan taluk, and states that in the case of the Hobli school masters higher pay than Rs. 10 or a local allowance of Rs. 3 is necessary in the malnad.

however has been considered. Out of 7578 teachers now employed in the Dealmad, 252 get Rs 10. If each of these is to get Rs 3 per month, the total cost will be Rs $252 \times 3 \times 12$ or Rs 9072 a year. There will however be more teachers in the future and the cost must increase. If allowances are to be given, it is desirable to give at least a rupee to those getting Rs 12, so that the ten-rupee teachers may not have an advantage over them. If Govt are inclined to view the question favorably, it may be referred back to me and I shall submit a special scale of pay for the Dealmad teachers, it being a condition that if they are transferred to the head-quarters, the concession is not to continue.

general question of increased allowances
being settled during the present season

Final Note by the First Member of Council

Subject:—

Allowances to Hobli School
Masters in the Malnad.

A representation having been made to the Dewan during his last tour in the Shimoga District, that it was very difficult to induce any one to accept a teacher's appointment in the Malnad on the low scale of salary now provided, a report was called for from the Deputy Commissioner on the special conditions of the Malnad. He is of opinion that the pay of Rs 10/- per month is inadequate and that in order to secure competent men, it is necessary that the school Masters should be granted a higher pay or at least a local allowance of - Rs 3/- each per mensem. The Inspector General of Education states that as the present number of teachers on Rs 10/- is 252, the cost of the proposal would come up to Rs 9072/- per year.

2. The matter was considered in Council and they are of opinion that a Malnad allowance of Rs 2/- per month may be granted to every Hobli School Master in the Malnad drawing Rs 10/- per month for a period of two years.

3. The Financial Secretary objects to

2.

to the proposal on the ground that the present financial position does not admit of increases of expenditure. Though his reasoning is correct, the necessity to give the requisite relief to the ill-paid school masters serving in the Malnad seems imperative on the administrative side, as by withholding such relief the number of schools to be started in these parts will be greatly restricted.

It is moreover proposed to grant the allowances for the present only for a period of two years.

To

.....P. G. D. S. O. U. Z. A., Esq., B. A., B. L.,

Secretary to the Government of H. H. the Maharaja of Mysore,

.....Education and Agriculture Department.

SIR,

I have the honour to bring to the notice of Government that on account of the unhealthiness of the Malnad climate, it has become very difficult to secure the services of qualified men to serve as teachers in Malnad partson rates of pay of Rs.10 or 12 per mensem, and even when secured they constantly change or begin to agitate for transfer to Maidan places after a short period of residence in the Malnad. Such frequent transfers affect considerably the strength and efficiency of schools. Local men of the required qualifications being generally unavailable, the schools also often remain without masters. To avoid such difficulties and to compensate those who are sent to the Malnad for their work in an unhealthy climate, I beg to propose that the Government may be pleased to sanction Malnad allowances of Rs.2 to all teachers drawing Rs.10 or Rs.12 per month.

2. In the Malnad Taluks of the Districts of Hassan, Kadur and Shimoga there are at present 15 teachers on Rs.12 and 37 teachers on Rs.10 in Anglo-Vernacular and Vernacular schools paid from State Funds, and 74 teachers on Rs.12 and 126 on Rs.10 in Village

Village Elementary Schools paid from the Village School Fund. It is now intended to give ~~these~~ these teachers each an allowance of Rs.2 per month. By this arrangement the extra annual cost to State Funds will be Rs.1,248 and the cost to the Village School Fund Rs.4,800.

I recommend that Government may be pleased to sanction an extra grant of Rs.6,048 to meet the Malnad allowances of teachers now recommended, and order its inclusion in the State Funds Budget for 1916-17, the amount required for the allowances of teachers in Government Village Elementary Schools, viz., Rs.4,800 being treated as a grant-in-aid to the Village School Fund.
